

Leaps and Bounds

While **Leaps and Bounds Pediatric Therapy Center** provides home-based services, the premise behind our Center's origin was to develop one location that could offer a variety of pediatric therapy options; habilitation, respite and attendant care services.

Leaps and Bounds provides quality pediatric services in a caring and secure environment. Our customer focused and convenient scheduling brings an added dimension to the Center's overall support system.

Leaps and Bounds is located in **Rome Towers** off of the 202 Freeway at Pecos Roads and Rome Street just east of Val Vista Drive.
